# Empowering OUR Youth

*“O Lord! Make this youth radiant...*

*Bestow upon him knowledge, grant him  
added strength at the break of every morn  
and guard him within the shelter of  
Thy protection...”*

### YOUTH CAN CHANGE THE WORLD!

Bahá'í programs for junior youth and teens give youth the tools they need to create spiritually centered lives. Tapping the creativity and energy of each participant, our programs empower youth to become their true selves.

Through study, service, friendship and the arts, youth gain a powerful understanding of their purpose in life. As they learn to care for mind, body and soul, participants begin to play important roles in their communities, leading forward-thinking activities and inspiring positive change.

Youth can lead us to a better day! As they learn to lead spiritually dynamic, creative lives youth can play important roles in building a better world. To learn more please contact:
